

FCS

REAR MOUNT
RECEPTACLES 10PIN

MKS-310 -BCR

Falco Communications System

FCS MKS-310-BCR

10 pin Communication Interface

Product characteristics

- Dedicated for AN/PRC-148 Falco FCS-148 communication interface modification.

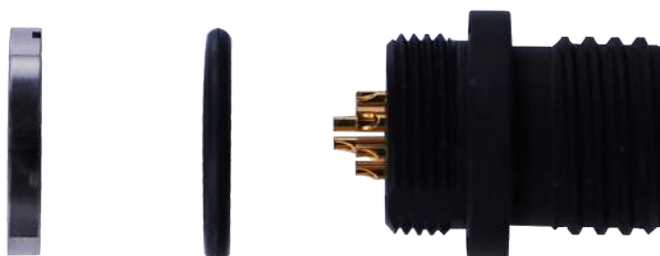

Technical Specifications

● Model	FCS MKS-310-BCR
● Total diameter	19.5mm
● Overall length	26.5mm
● Contact type	Spiral
● Shell material	Sandblasting +304 stainless steel
● Temperature	-55~85 °C
● Core material	Thermosetting plastic
● Contact material	Gold-plated brass
● Through-current	0.5A
● Maximum contact resistance	0.05Ω
● Maximum rated voltage	60V
● Insulation resistance	1000MΩ
