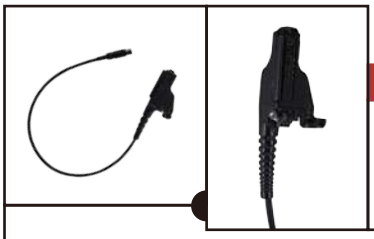
Description for Supporting Adapter

Mini 5-core XLR female connector



Supported Models

XTS2500, XTS3000, XTS5000, HT1000, MTS2000, JT1000, MTS838 and other models, general Motorola socket models of the same type.

ICOM patch cord

Supported Models

Support ICOM various socket models of the same model.

Standard 6-pin patch cord

Supported Models

FCS PRC-148, FCS PRC-117, AN / PRC-148, AN / PRC-152 / AN / PAC-117 and other standard six-pin interface models.

MTP850, MTH800 adapter cable

Supported Models

MTP850, MTH800 and other models, common types of socket models of the same model.

KENWOOD patch cord

Supported Models

KENWOOD TH-28, TH-48, TH-89, TK-2107 / 3107 Baofeng UV5R, 3R, Burstone underwater craft, Ouxun UV9D, and other general domestic socket models of the same type.

NTAO U-174 / U

Supported Models

Support NTAO U-174 / U same type interface headset, radio and other communication equipment.
